• In high traffic areas of your community
Pick Up Lines

You may register to vote if you meet ALL of the following criteria:

National Voter Registration Day

2015: September 22nd
2016: September 27th
Before Filling the Form

• Verify that they are eligible to vote.
• Ask them if they want your help to fill the form for them.
  — **NOTE:** Circulators may NOT fill in the blanks on the forms **UNLESS** the citizen registering to vote asks for that help.
  — If they do ask for help, it is your duty to fill out the form in its entirety and *exactly* as the citizen requests.
Stay Nonpartisan

• Nonprofit staff or volunteers may not suggest what candidate to support or what party to join.

• When answering questions about candidates and parties, volunteers and staff may refer people to other sources, such as a local newspaper or other nonpartisan voter guide.

• Nonprofits are free to register all the people they serve, including staff, volunteers and the local community, regardless of perceptions that certain communities vote a certain way. Nonprofits may also target underserved areas with a history of lower voter participation.
